1. Call to Order: Mayor Blease

2. Roll Call: Blease, O’Donnell, Carlson, Montgomery, Sias, Murdoch, Cate

3. Invocation by Council Member Cate

4. Pledge of Allegiance

5. Public Comments:

This time on the agenda is for any citizen to direct brief comments or questions to the City Council. Time for public comments will be given when an agenda item is discussed. If you have a comment or question, please raise your hand to be recognized by the Mayor, and after being recognized by the Mayor, please give your name, and address for the record, and proceed with your comment or question. Please limit your comments to three (3) minutes.
6. Consideration for Approval of Consent Agenda:
   
a. Approve the June 6, 2022, City Council meeting minutes as printed.

7. New Business:
   
a. Discussion, and to take action if appropriate, to adopt Ordinance No. 323, an ordinance to permit Class I and Class II electric bikes, electric scooters, electric hoverboards, maintenance vehicles, and emergency vehicles on City bike paths and sidewalks.

b. Introduction of Ordinance No. 324, and ordinance to amend City Code, Chapter 92: Burning.

c. Discussion, and to take action if appropriate, to adopt a resolution of Commitment and Support for the Statewide Local Agency Bridge Bundle Program and to include Smith’s Bridge in this program, and to authorize the City Manager to act as the “designated champions” for this project.

d. Discussion, and to take action if appropriate, to approve an agreement between the City of Ferrysburg and the Grand Valley Metro Council to coordinate a regional effort to comply with the NPDES Phase II Storm Water Regulations for 2023-2025, and to authorize the Mayor and City Clerk to sign all necessary documents.

e. Discussion, and to take action if appropriate, Selection of the 2022 recipient of the Chamber Business Recognition Award.

f. Approve the Mayor’s appointment of Heather Hawley to the Planning Commission for a term ending July 1, 2025.

g. Approve the Mayor’s appointment of Joe Lyons to the Planning Commission for a term ending July 1, 2024.

h. Approve the Mayor’s appointment of Emily Stearley to the Recreation Commission for a term ending July 1, 2025.

i. Approve the Mayor’s appointment of _________ to the Recreation Commission for a term ending July 1, 2025.

j. Approve the Mayor’s appointment of Chris Marshall as a regular member to the Kitchel-Lindquist-Hartger Dunes Preserve Board for a term ending July 1, 2025.

k. Approve the Mayor’s appointment of Nancy Jensen as a regular member to the Kitchel-Lindquist-Hartger Dunes Preserve Board for a term ending July 1, 2025.
l. Approve the Mayor’s appointment of Terry Harrison as a regular member to the Kitchel-Lindquist-Hartger Dunes Preserve Board for a term ending July 1, 2024

m. Approve the Mayor’s appointment of Bryan Pereira as an alternate member to the Kitchel-Lindquist-Hartger Dunes Preserve Board for a term ending July 1, 2023

n. Approve the Mayor’s appointment of Candace Hespen as a regular member to the Beautification Commission for a term ending July 1, 2025.

o. Approve the Mayor’s appointment of Therese Buck as a regular member to the Beautification Commission for a term ending July 1, 2025.

p. Approve the Mayor’s appointment of Janet Joiner as an alternate member to the Beautification Commission for a term ending July 1, 2025.

q. Approve the appointment of Joe Lyons to the Zoning Board of Appeals as a regular member for a term ending July 1, 2025.

r. Approve the appointment of Mason Milligan as a regular member to the Zoning Board of Appeals for a term ending July 1, 2025.

s. Approve the appointment of Rebecca Hopp to the Brownfield Redevelopment Authority Board for a term ending January 1, 2026.

t. Approve the appointment of ____________ to the North Ottawa Community Hospital Authority Board for a term ending July 1, 2025.

u. Approve the appointment of ____________ to the Loutit District Library Board for a term ending July 1, 2025.

v. Approve the appointment of Michael Walker to the Construction Board of Appeals for a term ending July 1, 2025.

w. Approve the appointment of Michael DeWitt to the Construction Board of Appeals for a term ending July 1, 2025.

x. Approved the appointment of Kathy Kenyon to the Board of Review for a term ending January 1, 2026.

y. Discussion, and to take action if appropriate, to approve 2021-2022 Budget Amendments.

8. Public Comments:

9. Reports:   City Manager

               City Council Members

               Mayor

10. Adjournment
CITY OF FERRYSBURG
CITY COUNCIL MINUTES
June 6, 2022

The meeting was called to order by Mayor Blease at 7:00 PM. Council Member Cate gave the invocation. Mayor Blease led those present in the pledge of allegiance.

Also present: City Manager Bessinger, City Clerk Wagenmaker, and 2 citizens.

22-076 Moved by Council Member Montgomery, seconded by Council Member O’Donnell, to approve the May 16, 2022, City Council meeting minutes as printed. The motion passed unanimously.

22-077 Moved by Council Member Montgomery, seconded by Council Member O’Donnell, to approve the City’s 2022 summer Tax Levy at 10.5943 mills, the 2022-2023 City budget of $6,807,422 and appropriating funds for said purposes. The motion passed unanimously.

22-078 Moved by Council Member Montgomery, seconded by Council Member O’Donnell, to adopt a resolution approving the submittal of a Michigan Natural Resources Trust Fund (MNRTF) grant application for the Development of a new Universal Accessible pathway through the park and connecting to the play area, new asphalt parking lot with ADA parking spaces, and renovation of the ballfield into an open lawn play area. The motion passed unanimously.

22-079 Moved by Council Member Montgomery, seconded by Council Member O’Donnell, to adopt a proposed resolution regarding leasing a portion of the premises at 17520 Ridge Avenue to Walden Green Montessori. The motion passed unanimously.

22-080 Ordinance No. 323, an ordinance to permit Class I and Class II electric bikes, electric scooters, electric hoverboards, maintenance vehicles, and emergency vehicles on City bike paths and sidewalks was introduced on first reading. The consensus of Council Members was to request revisions to the proposed draft.

22-081 Moved by Council Member O’Donnell, seconded by Council Member Montgomery, to approve a bid from Tiles Excavating for $19,300 for an Oil-Water separator for the DPW Building. The motion passed unanimously.

22-082 Moved by Council Member O’Donnell, seconded by Council Member Carlson, to approve a bid from Asphalt Paving, Inc. for $42,980 for patch work on Ridge Avenue, 174th Avenue, and 168th Avenue. The motion passed unanimously.

22-083 Moved by Council Member O’Donnell, seconded by Council Member Montgomery, to cancel the July 5 City Council meeting. The motion passed unanimously.
CITY OF FERRYSBURG
CITY COUNCIL MINUTES
June 6, 2022

22-084 Moved by Council Member O’Donnell, seconded by Council Member Carlson, to adopt the City Council Conferences, Meetings, Training Policy with a $200 per event per person threshold for City Council approval. The motion passed unanimously.

22-085 Council Members discussed scheduling a work session as a regular agenda item on June 20. The consensus of Council Members was to move work sessions to the 1st Monday of the month beginning in August.

The City Manager, the City Council Members, and the Mayor reported on several current items.

The meeting was adjourned at 7:49 PM.

Respectfully submitted,

Scott Blease
Mayor

RE: Draft Ordinance No. 323

The draft ordinance has been revised to include “The maximum speed shall be 10 miles per hour when pedestrians are present” to Section 50.32 and 50.49.

Spring Lake Township does not permit e-bikes on sidewalks, Grand Haven Township does not permit e-bikes on sidewalks when using power assist, the City of Grand Haven and Spring Lake Village permit e-bikes on sidewalks.

c: Jessie Wagenmaker, City Clerk
ORDINANCE NO. _____

CITY OF FERRYSBURG STREETS, SIDEWALKS AND BIKE PATHS
ORDINANCE AMENDMENT

AN ORDINANCE TO AMEND THE CODE OF ORDINANCES
ADOPTED BY THE CITY OF FERRYSBURG, OTTAWA
COUNTY, STATE OF MICHIGAN, AMENDING CERTAIN
PROVISIONS OF CHAPTER 50, CONCERNING PERMITTED
USES ON BIKE PATHS WITHIN THE CITY AND PROVIDING
FOR THE EFFECTIVE DATE OF THIS ORDINANCE.

THE CITY OF FERRYSBURG, COUNTY OF OTTAWA AND STATE OF MICHIGAN
ORDAINS:

Section 1. Amendment of Chapter 50. Chapter 50 shall be amended by adding language
to Section Chapter 50 shall be amended by adding language to Section 50.32(A) which shall state
in its entirety as follows:

§ 50.32. Regulated Activities

(A) A person shall not operate a motor vehicle, including a moped, on or across a
sidewalk except to enter or to leave adjacent property, and except for authorized maintenance
vehicles and authorized emergency vehicles. However, this Section shall not be construed to
prohibit the use of sidewalks by pedestrians or persons using Class I or Class II electric bicycles
with a maximum power of less than 1 horsepower, electric hoverboards with a maximum power
of less than 1 horsepower or electric scooters with a maximum power of less than 1 horsepower.
The maximum speed shall be 10 miles per hour when pedestrians are present.

Section 2. Amendment of Chapter 50. Chapter 50 shall be amended by adding language
to Section 50.49(A) which shall state in its entirety as follows:

§ 50.49. Regulated Activities

(A) A person shall not operate a motor vehicle, including a moped, on or across a bike
path except to enter or to leave adjacent property, and except for authorized maintenance vehicles
and authorized emergency vehicles. However, this Section shall not be construed to prohibit the
use of bike paths by pedestrians or persons using Class I or Class II electric bicycles with a
maximum power of less than 1 horsepower, electric hoverboards with a maximum power of less
than 1 horsepower or electric scooters with a maximum power of less than 1 horsepower. The
maximum speed shall be 10 miles per hour when pedestrians are present.
Section 3. **Repeal.** All ordinances or parts of ordinances which are in conflict in whole or in part with any of the provisions of this Ordinance as of its effective date are repealed to the extent of such conflict.

Section 4. **Effective Date.** This Ordinance shall take effect upon publication.

RE: Draft Ordinance No. 324 – Burning Ordinance

At the March 21, 2022, City Council meeting, City Council reviewed the current burning ordinance and referred it to the Planning Commission for review.

At the April 7, 2022, Planning Commission meeting, Commissioners reviewed the City’s current ordinance and adjacent communities burning ordinance. Commissioners requested David Jirousek, Horizon Community Planning to draft an ordinance for their review.

At the May 5, Planning Commission meeting, Commissioners reviewed the draft ordinance and request revisions to the draft.

At the June 2, Planning Commission meeting, Commissioners held a public hearing on the draft and made a recommendation to City Council to adopt the attached draft.

Fire Chief Mike Olthof has reviewed the draft ordinance and has no concerns.

The first attachment shows changes from the current ordinance in red.

c: Mike Olthof, fire Chief
Jessie Wagenmaker, City Clerk
CHAPTER 92: BURNING

Section

92.01 Purpose

92.02 Definitions

92.03 Burning prohibited

92.04 Requirements for recreational fires

92.05 Requirements for bonfires

92.06 Administration and enforcement

92.07 Administrative liability

92.08 Violations; civil fines Cross-reference: Parks and recreation; fires; cooking, see § 94.11

§ 92.01 PURPOSE

The purpose of this article is to control open burning in the City of Ferrysburg and to restrict burning to small recreational fires and city-permitted bonfires. The city has found that unregulated open burning increases the risk of property damage caused by fires and threatens the safety and well-being of the city's residents and other persons. The city further finds that greater regulation of open burning is necessary because of its residential density and because smoke from open burning, particularly burning yard waste, exacerbates breathing difficulties for many individuals. Further, other local units of government bordering the city and in the general area have enacted similar regulations.

§ 92.02 DEFINITIONS.

Bonfire means an outdoor ground fire associated with a permitted special event that exceeds a total fuel area of three feet in diameter and two feet in height.

Clean wood means natural wood which has not been painted, varnished, or coated with a similar material; has not been pressure treated with preservatives; and does not contain resins or glues as in plywood or other composite wood products.

Recreational fire means an outdoor fire containing the fuel being burned in an enclosed pit, fire-retaining ring, or portable outdoor fireplace, that is no more than three feet in diameter with a total fuel area of three feet or less in diameter and two feet or less in height.

Yard waste means grass clippings, leaves, brush, stumps, and uncut tree branches.
§ 92.03 BURNING PROHIBITED.

No person shall ignite or otherwise cause to burn garbage, plastic, styrofoam, skids, chemically treated lumber, pallets, synthetic material, hazardous materials, rubber-based material, yard waste, construction and demolition waste, or any other material aside from clean wood, in any open fire or in a receptacle upon any lands within the municipal boundaries of the City of Ferrysburg.

The provisions of this section shall not prohibit the burning of clean wood in a fireplace or stove for the purpose of cooking or providing heat and shall not prohibit a recreational fire in accordance with § 92.04.

(Ord. 110, passed 10-25-89; Am. Ord. 118, passed 11-28-90; Am. Ord. 170, passed 5-18-98) Penalty, see § 10.99

§ 92.04 REQUIREMENTS FOR RECREATIONAL FIRES.

An owner of property, or a person authorized by the owner of property, may burn firewood on his or her property, provided that such shall meet the following requirements:

1. A person 18 years of age or older shall remain in constant attendance during the time the recreational fire is burning or smoldering and until completely extinguished. At least one portable fire extinguisher with a minimum 4-A rating, two portable fire extinguishers with a minimum 2-A rating each, or other approved on-site fire-extinguishing equipment, such as a garden hose, water barrel, dirt, or sand, shall be available for immediate utilization.

2. A recreational fire shall only involve the burning of clean wood that is seasoned and dry. Brush, sticks, and paper shall only be used as kindling to start a recreational fire.

3. No accelerants shall be used to start a recreational fire. Such prohibited accelerants include but are not limited to gasoline, lighter fluid, or any other type of flammable fluid.

4. Recreational fires shall not occur when wind speeds are greater than seven miles per hour.

5. The person or persons tending the recreational fire shall remain in complete control over the fire at all times and shall ensure that the fire does not threaten surrounding properties or create a nuisance.

6. The amount of clean wood to be burned shall not exceed an amount which can reasonably be anticipated to be controlled.

7. Before abandoning the site of the recreational fire or disposing of its remains, the person or persons tending the fire shall take all steps necessary to extinguish any materials still burning, smoking or smoldering.

8. At no time shall any recreational fire occur on or within ten feet of the surface of any public street, public sidewalk, or public bike path in the city.

9. At no time shall any Recreational fire occur within 20 feet of a building or structure.
§ 92.05 REQUIREMENTS FOR BONFIRES.

Bonfires in the City of Ferrysburg are only permitted with prior approval by the Ferrysburg City Council and the Fire Department for special events. Bonfires are subject to compliance with any special restrictions determined by the Fire Chief and payment of costs associated with special fire protection as determined by the City of Ferrysburg.

§ 92.06 ADMINISTRATION AND ENFORCEMENT.

It shall be the duty of the Fire Chief of the city or his designee to investigate fires which are in violation of the terms of this subchapter, and to cause them to be extinguished, and to actively endeavor with the cooperation of the Ottawa County Sherriff’s Department to secure the conviction of all persons violating this subchapter.
(Ord. 110, passed 10-25-89; Am. Ord. 118, passed 11-28-90; Am. Ord. 170, passed 5-18-98)

§ 92.07 ADMINISTRATIVE LIABILITY.

No officer, agent, or employee of the city shall render himself or herself liable for any damage that may accrue to any person as the result of any act, decision or other consequence or occurrence arising out of the discharge of his or her duties and responsibilities pursuant to this subchapter.
(Ord. 110, passed 10-25-89; Am. Ord. 118, passed 11-28-90; Am. Ord. 170, passed 5-18-98)

§ 92.08 VIOLATIONS; CIVIL FINES.

A violation of this chapter is a civil infraction subject to a fine. Increased civil fines will be imposed for repeated violations that occur within a six month period. The civil fine for a first offense is $50. The civil fine for the first repeat offense is $250. The civil fine for a second repeat offense is $500.
(Ord. 170, passed 5-18-98)
ORDINANCE NO. _____

CITY OF FERRYSBURG

An Ordinance to Amend Chapter 92 of the City Code, Burning, to amend provisions regarding prohibited burning, recreational fires, and bonfires.

THE CITY OF FERRYSBURG ORDAINS:

Section 1. Chapter 92 of the Ferrysburg City Code is amended to read in its entirety as follows:

CHAPTER 92: BURNING

Section

92.01 Purpose

92.02 Definitions

92.03 Burning prohibited

92.04 Requirements for recreational fires

92.05 Requirements for bonfires

92.06 Administration and enforcement

92.07 Administrative liability

92.08 Violations; civil fines Cross-reference: Parks and recreation; fires; cooking, see § 94.11

§ 92.01 PURPOSE.

The purpose of this article is to control open burning in the City of Ferrysburg and to restrict burning to small recreational fires and city-permitted bonfires. The city has found that unregulated open burning increases the risk of property damage caused by fires and threatens the safety and well-being of the city’s residents and other persons. The city further finds that greater regulation of open burning is necessary because of its residential density and because smoke from open burning, particularly burning yard waste, exacerbates breathing difficulties for many individuals. Further, other local units of government bordering the city and in the general area have enacted similar regulations.

§ 92.02 DEFINITIONS.

Bonfire means an outdoor ground fire associated with a permitted special event that exceeds a total fuel area of three feet in diameter and two feet in height.
Clean wood means natural wood which has not been painted, varnished, or coated with a similar material; has not been pressure treated with preservatives; and does not contain resins or glues as in plywood or other composite wood products.

Recreational fire means an outdoor fire containing the fuel being burned in an enclosed pit, fire-retaining ring, or portable outdoor fireplace, that is no more than three feet in diameter with a total fuel area of three feet or less in diameter and two feet or less in height.

Yard waste means grass clippings, leaves, brush, stumps, and uncut tree branches.

§ 92.03 BURNING PROHIBITED.

No person shall ignite or otherwise cause to burn garbage, plastic, styrofoam, skids, chemically treated lumber, pallets, synthetic material, hazardous materials, rubber-based material, yard waste, construction and demolition waste, or any other material aside from clean wood, in any open fire or in a receptacle upon any lands within the municipal boundaries of the City of Ferrysburg.

The provisions of this section shall not prohibit the burning of clean wood in a fireplace or stove for the purpose of cooking or providing heat and shall not prohibit a recreational fire in accordance with § 92.04.

§ 92.04 REQUIREMENTS FOR RECREATIONAL FIRES.

An owner of property, or a person authorized by the owner of property, may burn firewood on his or her property, provided that such shall meet the following requirements:

1. A person 18 years of age or older shall remain in constant attendance during the time the recreational fire is burning or smoldering and until completely extinguished. At least one portable fire extinguisher with a minimum 4-A rating, two portable fire extinguishers with a minimum 2-A rating each, or other approved on-site fire-extinguishing equipment, such as a garden hose, water barrel, dirt, or sand, shall be available for immediate utilization.

2. A recreational fire shall only involve the burning firewood, which qualifies as clean wood, as defined in 92.02, that is seasoned and dry. Brush, sticks, and paper shall only be used as kindling to start a recreational fire.

3. No accelerants shall be used to start a recreational fire. Such prohibited accelerants include but are not limited to gasoline, lighter fluid, or any other type of flammable fluid.

4. Recreational fires shall not occur when wind speeds are greater than seven miles per hour.
5. The person or persons tending the recreational fire shall remain in complete control over the fire at all times and shall ensure that the fire does not threaten surrounding properties or create a nuisance.

6. The amount of clean wood to be burned shall not exceed an amount which can reasonably be anticipated to be controlled.

7. Before abandoning the site of the recreational fire or disposing of its remains, the person or persons tending the fire shall take all steps necessary to extinguish any materials still burning, smoking or smoldering.

8. At no time shall any recreational fire occur on or within ten feet of the surface of any public street, public sidewalk, or public bike path in the city.

9. At no time shall any Recreational fire occur within 20 feet of a building or structure.

§ 92.05 REQUIREMENTS FOR BONFIRES.

Bonfires in the City of Ferrysburg are only permitted with prior approval by the Ferrysburg City Council and the Fire Department for special events. Bonfires are subject to compliance with any special restrictions determined by the Fire Chief and payment of costs associated with special fire protection as determined by the City of Ferrysburg.

§ 92.06 ADMINISTRATION AND ENFORCEMENT.

It shall be the duty of the Fire Chief of the city or his designee to investigate fires which are in violation of the terms of this subchapter, and to cause them to be extinguished, and to actively endeavor with the cooperation of the Ottawa County Sheriff's Department to secure the conviction of all persons violating this subchapter.

§ 92.07 ADMINISTRATIVE LIABILITY.

No officer, agent, or employee of the city shall render himself or herself liable for any damage that may accrue to any person as the result of any act, decision or other consequence or occurrence arising out of the discharge of his or her duties and responsibilities pursuant to this subchapter.

§ 92.08 VIOLATIONS; CIVIL FINES.

A violation of this chapter is a civil infraction subject to a fine. Increased civil fines will be imposed for repeated violations that occur within a six month period. The civil fine for a first offense is $50. The civil fine for the first repeat offense is $250. The civil fine for a second repeat offense is $500.
Section 2. Effective Date.

This Ordinance was approved and adopted by the Ferrysburg City Council on the ___ of __________, 2022 and shall take effect upon publication in the Grand Haven Tribune, a newspaper of general circulation in the City of Ferrysburg.

Jessie Wagenmaker, City Clerk
Dear Local Agency Bridge Bundle Champion,

As a follow-up to our April 4, 2022 email, and on behalf of Matt Chynoweth, the Bundle Team is pleased to confirm available funding in the amount shown for the following bridge(s) owned by your agency for inclusion in Phase II of the Local Agency Bridge Bundle Program:

<table>
<thead>
<tr>
<th>ID</th>
<th>OWNER</th>
<th>REGION</th>
<th>FACILITY</th>
<th>FEATURE INTERSECTED</th>
<th>PROGRAM CRITERIA</th>
<th>SCOPE OF WORK</th>
<th>YEAR</th>
<th>COST</th>
</tr>
</thead>
<tbody>
<tr>
<td>8941</td>
<td>City of Ferrysburg</td>
<td>Grand</td>
<td>W Spring Lake Rd</td>
<td>Smith Bayou</td>
<td>Load Restricted</td>
<td>Superstructure Replacement</td>
<td>FY 24</td>
<td>$9,921,800</td>
</tr>
</tbody>
</table>

Each local bridge owner is required to confirm acceptance of the funding and requirements for the program by providing a Resolution of Commitment and Support signed by their governing board or executive with the appropriate authority as soon as possible, but no later than September 1, 2022. A draft copy of this resolution is provided for your review, information and use, which also lists the responsibilities of the local champion. The purpose of this Resolution is to support the overall program mission by documenting agency support for and commitment to the program. This document template and language was developed in coordination and cooperation with CRA and MML representatives as a good faith effort to capture understandings of the program essentials from the local perspective.

The legislation enabling the funding for the Phase II Program requires MDOT to perform the work. The MDOT Bundle Team will be coordinating this work closely with you and key third-party stakeholders. As the designated Local Champion for your agency (and confirmed by CRA and MML), you will be the point of contact for all program/project communications. Please look for follow-up emails and information regarding the following:
- Email invitation to a kick-off & partnering call including meeting agenda and proposed Partnering Charter
- Email requests for key planning and design data input
- Invitation to a training session targeting June 30 to facilitate use of a Project SharePoint site for project communications and data-sharing

If there is a different publicly-employed person at your agency that will be the designated champion for your bridge(s), please let us know so they can be included.

Please note also the following:

- The fiscal year (FY) shown for construction is the target fiscal year identified for the obligation of either final design-build or construction phase work. Actual construction schedules will be determined during or after final design.
- Funding for each bridge is currently capped at the amount shown above (which includes EPE/PE/CON/CEI phases unless otherwise shown) and will be increased only if there is sufficient additional program budget available.
- Budgets will be adjusted up or down for each bridge as more refined construction cost estimates are performed at relevant project development milestones.
- Post-construction inspections will be performed by the PMCs including updating MiBridge data as necessary

Thank you for your continued interest in and support for the program. As always, we are available for any questions you might have.

On behalf of Matt Chynoweth and the rest of the Bundle Team,

Best regards,

Roger

This e-mail and any files transmitted with it are confidential and are intended solely for the use of the individual or entity to whom they are addressed. If you are NOT the intended recipient and receive this communication, please delete this message and any attachments. Thank you.
WHEREAS, the Michigan Department of Transportation ("MDOT") has undertaken an initiative to address the needs of Michigan’s local bridge conditions through an innovative delivery method known as “bridge bundling;”

WHEREAS, MDOT reached out to the County Road Association of Michigan ("CRA") and the Michigan Municipal League ("MML") to work together on such an initiative for the benefit of their mutual communities, and in the interest of public safety and the Michigan taxpayers.

WHEREAS, MDOT has identified funding for Phase II of the BUNDLE PROGRAM and has screened and selected a number of local bridges from a statewide review for inclusion in same, with no local cash match or local funding required;

WHEREAS, the City of Ferrysburg has agreed to the inclusion of the following bridge(s) in the BUNDLE PROGRAM, with associated planned work:

West Spring Lake Road

subject to final approval by MDOT and FHWA, if applicable;

WHEREAS, the City of Ferrysburg understands that the work as planned will be undertaken in a contract to be let and awarded by MDOT at no cost to the City of Ferrysburg;

WHEREAS, the City of Ferrysburg acknowledges that any requests to add or include work to the BUNDLE PROGRAM identified by MDOT to be either maintenance-related, a betterment or non-structural improvement to the planned scope shall only be undertaken subject to the approval of MDOT and at 100% City of Ferrysburg cost, except for widening for non-motorized transportation purposes supported by approved local or regional master plans developed in a manner consistent with applicable federal and state requirements;

WHEREAS, the City of Ferrysburg acknowledges that neither MDOT nor its third-party agents, contractors or consultants are assuming any ownership or responsibility for the future operation or maintenance of improvements constructed in connection with the BUNDLE PROGRAM;

WHEREAS, both parties agree that if there are any performance warranties, as part of the project, MDOT will oversee said warranted work, during the warranty period;
WHEREAS, the City of Ferrysburg agrees to perform long-term, life-cycle maintenance of the improvements made to its bridge(s) included in the BUNDLE PROGRAM in accordance with sound principles of asset management upon completion of the work;

WHEREAS, the City of Ferrysburg has designated an employee representative (“CHAMPION”) to serve as a point person for the agency with necessary authority and resources to act and direct its staff and third-party agents to facilitate coordination of its portion of the BUNDLE PROGRAM with MDOT;

WHEREAS, the City of Ferrysburg hereby acknowledges that MDOT and its consultants have the appropriate authority to act on its behalf in the planning, design, construction and administration of the BUNDLE PROGRAM, while allowing City of Ferrysburg staff input during design and reasonable access during construction to perform its own observations and inspections if desired;

WHEREAS, the City of Ferrysburg agrees to support implementation of the BUNDLE PROGRAM consistent with the attached “Responsibilities of Local Agency Champions” as approved by MDOT in September 2020;

WHEREAS, the City of Ferrysburg acknowledges and agrees that none of its direct or indirect costs incurred in connection with its participation in the BUNDLE PROGRAM shall be reimbursable by MDOT or FHWA;

NOW THEREFORE BE IT RESOLVED, the City of Ferrysburg hereby agrees to support implementation of the BUNDLE PROGRAM to help facilitate the overall goal of improving local bridge conditions in Michigan.

Approved on June 20, 2022:

Scott Blease, Mayor

______________________________
Craig Bessinger, Acting City Clerk
EXHIBIT A
RESPONSIBILITIES OF LOCAL AGENCY CHAMPIONS

City of Ferrysburg agrees to support its designated CHAMPION*, City Manager Bessinger and other staff to take the following actions as necessary on behalf of the City of Ferrysburg to participate in the BUNDLE PROGRAM:

1. Review and sign environmental permit applications on behalf of the agency, being developed and prepared by MDOT or its consultants on its behalf;

2. Allow MDOT representatives to perform preliminary engineering work on site (surveying, scoping, etc.) and assisting with any routine traffic controls needed;

3. Respond in a timely manner or within deadlines established by MDOT to requests from MDOT or its consultants for relevant data or input on engineering plans or other the BUNDLE PROGRAM-related documents;

4. Issue permits (right-of-way occupancy, trucking, etc.) to MDOT's contractor within deadlines established by MDOT at no cost under uniform or near-uniform conditions as other agencies with the BUNDLE PROGRAM bridges;

5. Meet MDOT, its consultants, regulatory agency representatives or contractor to review site conditions and discuss planned actions and impacts, such as detour routes, work zone safety and maintenance of traffic requirements;

6. Assist MDOT with identifying detour route(s), including coordinating with adjacent jurisdictions if the detour impacts neighboring roads, with the understanding that the City of Ferrysburg will be responsible for any over and above routine maintenance costs and liability associated with damages to the detour route, and the contractor will be responsible for any liability costs associated with traffic controls;

7. Develop and implement an actionable plan to facilitate fulfillment of future life-cycle maintenance responsibilities of the completed improvement consistent with sound principles of asset management;

8. Take administrative actions as necessary to support the BUNDLE PROGRAM budget, quality and schedule goals;

9. Its designated CHAMPION, on behalf of the City of Ferrysburg, shall lead with support from MDOT and its consultant team, in local public meetings or stakeholder engagement (as needed) to support efforts to inform the public of the program and local impacts;

10. Take additional actions deemed necessary by FHWA to support successful implementation of the BUNDLE PROGRAM.

*designated City of Ferrysburg employee representative to serve as a point person for the agency with necessary authority and resources to act and direct its staff and third-party agents to facilitate coordination of its portion of the BUNDLE PROGRAM with MDOT.
June 16, 2022

TO: Mayor and City Council Members

FROM: Craig Bessinger, City Manager

RE: NPDES Storm Water Permit

Grand Valley Metro Council (GVMC) has coordinated efforts for regional communities to comply with the National Pollutant Discharge Elimination System (NPDES) since 2000. The City of Ferrysburg has participated in this regional collaboration.

Attached is a proposal from GVMC to continue to oversee the NPDES Stormwater Regulations for the City.

GVMC sponsors workshops, prepares brochures and articles, and assists with the annual progress reporting. GVMC also assisted the City with the audit from the State last summer. Staff is satisfied with the work done by GVMC and recommends approval of the proposal.

c: Jessie Wagenmaker, City Clerk
June 13, 2022

Mr. Craig Bessinger  
City Manager  
City of Ferrysburg  
17520 Ridge Avenue  
PO Box 38  
Ferrysburg MI 49409

Dear Mr. Bessinger:

A cooperative effort initiated in 2000 by Kent County and Ottawa County agencies and communities in the Lower Grand River Watershed resulted in Certificates of Coverage (CoCs) for all permittees under the Michigan Department of Environmental Quality (MDEQ) Watershed General Permit No. MIG619000. Documents for each permittee were prepared to comply with the CoCs that were issued pursuant to the general National Pollutant Discharge Elimination System (NPDES) permit. In the last contract period, the Grand Valley Metro Council (GVMC) prepared, submitted, and received approval for the City of Ferrysburg’s NPDES MS4 Individual Permit and Stormwater Management Plan (SWMP) from the Michigan Department of Environment, Great Lakes, and Energy (EGLE).

The capacity of GVMC’s Environmental Programs Department has increased since the last contract period, and we are committed to providing exceptional services and programs. GVMC will continue to coordinate a regional effort to ensure every community’s compliance with the NPDES Stormwater Regulations. A cost allocation and detailed scope of work for continued participation in the regional effort from FY2023 through FY2025 is enclosed.

Please indicate your intent to continue to participate in this regional cooperative effort by returning a signed copy of this correspondence by August 1, 2022. Your commitment to participate will apply for the next three years, from October 1, 2022, through September 30, 2025. The scope of the regional program that is necessary beyond 2025 for compliance with the NPDES Storm Water Regulations will be reassessed at that time.

We welcome your feedback on GVMC’s NPDES compliance program and look forward to our continued work with your community.
Sincerely,

John Weiss  
Executive Director

Cara Decker  
Stormwater Program Coordinator

The City of Ferrysburg is committed to continued participation in the GVMC regional effort for compliance with the NPDES Storm Water Regulations for fiscal years 2023 through 2025. We understand that our annual cost will be paid to GVMC in accordance with the enclosed cost allocation.

Signed: ___________________________ Date: __________
Scott Blease, Mayor

Enclosures: Signed: ___________________________
Jessie Wagenmaker, City Clerk
FY 2023-2025 Scope of Work with Budget and Cost Allocation
GVMC Regional Cooperation for NPDES Stormwater Permit Compliance
FY 2023-2025
Scope of Work for the Lower Grand River Watershed

The following activities have been identified to allow ongoing regional cooperation by the participating cities, villages, townships, school districts, and county agencies (communities) in the Lower Grand River Watershed (LGRW) from October 1, 2022 to September 30, 2025. The work that will continue to be administered by the Grand Valley Metropolitan Council (GVMC) includes ongoing implementation of the Storm Water Management Plan (SWMP), the Public Education Plan (PEP), Total Maximum Daily Load Implementation (TMDL) Plan, and the Illicit Discharge Elimination Plan (IDEP) that have been approved by the Michigan Department of Environment, Great Lakes, and Energy (EGLE) under the Municipal Separate Storm Sewer System (MS4) regulations.

Current permits expire during this contract period and GVMC will assist the communities with permit reapplication and public notice as necessary. EGLE will issue new MS4 permits during the period for this scope of work. Upon communities receiving new permits, GVMC will continue to implement initiatives that meet permit compliance.

GVMC will continue to implement regional coordination for MS4 permit compliance; however, each community is ultimately responsible for participation in the regional effort and for regulatory compliance.

The proposed work outlined below will be completed by GVMC in cooperation with EGLE and the participating communities to provide compliance with the six MS4 minimum control measures:

**Stormwater Management Plan (SWMP) Implementation**
The individual Stormwater Permit requires that the approved SWMPs be implemented. GVMC will facilitate the process of implementing the SWMPs. SWMPs will be updated as needed for the next permit cycle.

**MS4 Training**
Training opportunities will be provided through a variety of methods, such as in-person training, videos, outside speakers, webinars, and brochures. Topics to be considered for training include: general stormwater awareness, identifying and eliminating illicit discharges, soil erosion and sedimentation control best management practices (BMPs), post-construction stormwater runoff development standards, pollution prevention and good housekeeping BMPs, training specified in the SWMP, or other stormwater training topics at the request of the community. GVMC will work with committees of the Lower Grand River Organization of Watersheds (LGROW) to select, plan, and coordinate these training opportunities.

**Stormwater Development and Redevelopment Standards, Model Ordinances, and Strategies**
GVMC will continue to coordinate the efforts of the LGROW Stormwater Ordinance (SWOrd) Committee to implement the model stormwater ordinance needed for permit compliance. GVMC will be responsible for the distribution of the LGROW Design Spreadsheet tool and will provide updates and improvements to the tool as directed by the SWOrd Committee.

**Public Education Plan (PEP)**
The PEP was updated and approved by EGLE in July 2020 and the plan promotes, publicizes, and facilitates watershed education for the purpose of encouraging the public to reduce the discharge of pollutants in stormwater to the maximum extent practicable. The PEP will continue to be coordinated with other current programs and projects in the watershed that involve public stewardship of water resources. The overall goal of the plan is to encourage pollution prevention.

The PEP is flexible in that the educational activities conducted may address any of a number of significant watershed issues, including:

- Encouragement of public reporting of the presence of illicit discharges, illicit connections, or improper disposal of material into the MS4.
• Education of the public on the availability, location, and requirements of facilities for disposal or drop-off of household hazardous wastes, travel trailer sanitary wastes, chemicals, grass clippings, leaf litter, animal wastes, and motor vehicle fluids.

• Education of the public regarding acceptable application and disposal of pesticides, herbicides, and fertilizers.

• Education of the public concerning preferred cleaning materials and procedures for residential car washing, pavement cleaning, and power washing.

• Education of the public concerning the ultimate discharge point and potential impacts from pollutants from the separate stormwater drainage system serving their place of residence.

• Education of the public about their responsibility for stewardship in their watershed.

• Education of the public concerning management of riparian lands to protect water quality.

• Education of the public on proper septic system care and maintenance and on how to recognize system failure.

• Education of the public about the benefits of using native vegetation instead of non-native vegetation.

Various materials will be produced such as brochures, social media content, newsletter and newspaper articles, local media, workshops, demonstration materials, and other materials at the community’s request in order to meet the public education commitments. Purchase of public education materials will be coordinated where economies can be achieved through bulk purchases.

GVMC will continue to facilitate the LGROW Public Engagement Committee, comprised of representatives of the participating communities and local organizations, to prioritize and direct the PEP activities. GVMC will design and administer large scale, regional educational efforts.

Illicit Discharge Elimination Plan (IDEP)
The IDEP meets the permit requirement that each community develop, implement, and enforce a program to detect and eliminate illicit connections and discharges to MS4s. GVMC will also work with REGIS communities to ensure up to date stormwater infrastructure mapping in GIS. The IDEP includes dry weather screening, which was last completed in 2018, and will be completed in summer 2024. Interjurisdictional cooperation agreements will be reissued for each MS4.

Total Maximum Daily Load (TMDL) Implementation
GVMC will work with the LGROW network to address the TMDLs that have been assigned per the permits. The TMDL Implementation Plan will be executed collaboratively with watershed partners to address water body impairments within the regulated areas of the watershed. GVMC will coordinate TMDL sampling under the direction of the LGROW Technical Committee and will share the data and analysis via annual reports.

Additional Regulatory Assistance

Progress Reports
Annual or biennial Progress Reports will be prepared for each community for submittal to EGLE as required by the MS4 permits. Reports will include regional reporting and permittee-specific reporting requirements. GVMC will annually prepare progress reporting forms for each community. These forms will serve as a convenient means for each community to keep track of actions taken throughout the Progress Report cycle to comply with the permit commitments. The information provided by each community will become a significant element of the reports.

Each community shall provide data on progress made in controlling stormwater pollution to the maximum extent practicable for the reports. GVMC will collect available watershed monitoring data during the previous period for analysis and summary for the regional portion of the report. GVMC will draft progress reports on Watershed-Wide Activities. GVMC will compile and finalize the Progress Reports on behalf of the communities and GVMC will submit the reports to EGLE via MiWaters.
GVMC will continue this work upon permit issuance, and will communicate new progress reporting requirements as necessary to communities.

**Audits**
GVMC will provide assistance in the case of an EGLE audit of the community’s stormwater program, at the community’s request.

**Public Participation**
The SWMP implementation efforts will be more effective with participation by the communities and the public. GVMC will keep the communities informed about LGROW committee activities and opportunities to be involved at LGROW events. LGROW has fostered partnerships with existing agencies and organizations, which will facilitate completion of the work outlined above. GVMC will help facilitate and provide technical assistance to the LGROW network to integrate these efforts. Public Participation activities will be tracked and reported upon in the Progress Report.

**Permit Applications and Individual Permit Issuance**
Current MS4 permits expire on October 1, 2023. The process of EGLE’s permit reissuance will continue to be tracked and the communities will be kept informed. GVMC will assist the communities in the transition from the previous permit by providing compliance assistance in all of the categories as applicable to the new permit. Facility inventories will be updated to reflect current stormwater infrastructure.

**Enforcement Response Procedure**
GVMC will assist communities with developing approvable Enforcement Response Procedures (ERPs), based on EGLE comments from permit submittal that describes how the MS4 enforces the ordinance. GVMC will train communities in the use of the ERPs and revise as needed.

**Nested Jurisdictions**
If the community has a nested jurisdiction under their MS4 permit, GVMC will help coordinate the compliance of the Nested Jurisdiction. GVMC will help facilitate meetings between MS4 permittees and nested jurisdictions to ensure that both parties understand their responsibilities to meet permit compliance.

**LGROW Network**
By participating in the regional MS4 implementation in the Lower Grand River Watershed, communities benefit by being able to work through permit issues together as part of the LGROW network. LGROW brings together local municipalities and community stakeholders in a unique format to address watershed issues facing the Lower Grand River and its watersheds. LGROW promotes community education and sustainable use of our river resource and is committed to making the watershed an ongoing resource for everyone. LGROW will encourage communities to join the various committees that work on different components of the permit. LGROW dues are $500 annually in addition to MS4 dues.

TO: Mayor and City Council Members

FROM: Jessie Wagenmaker, City Clerk/Treasurer

RE: Commission & Boards Vacancies

Listed below are the several terms which will be expiring July 1. We advertised for applications in the Tribune on April 1. This schedule allowed time to refer applications to the several committees so they may make recommendations to City Council at their May and June meetings, in accordance with approved procedure. This schedule also allows time for City Council to approve the appointments before July 1.

1. Planning Commission:

   Roger Jonas          07/01/22    07/01/25
   Heather Hawley      07/01/22    07/01/25

   Received: Heather Hawley, Joe Lyons, Jake Stearley

2. Zoning Board of Appeals:

   Vance Meyer         07/01/22    07/01/25
   Vacancy             07/01/24
   Alternate-Vacancy   07/01/22    07/01/25
   Alternate-Vacancy   07/01/22    07/01/25

   Received: Joe Lyons, Mason Milligan

3. Recreation Commission:

   Emily Stearley      07/01/22    07/01/25
   Hannah Barnard      07/01/22    07/01/25

   Received: Emily Stearley, Hannah Barnard, Bryan Pereira

4. Kitchel-Lindquist-Hartger Dunes Preserve Committee Board:

   Christine Marshall  07/01/22    07/01/25
   Michael Trier       07/01/22    07/01/25
   Vacancy            07/01/24
   Alternate-Vacancy  07/01/23

   Received: Christine Marshall, Nancy Jensen, Terry Harrison, Bryan Pereira
5. ** Beautification Commission: **

**c:** Craig Bessinger, City Manager
PROCEDURE
APPOINTMENT OF MEMBERS TO
BOARDS, COMMISSIONS, AND COMMITTEES

1. Applicability.
   a. This procedure shall apply to the City Council’s appointment of citizen members, (non-City Council Members) to the:

   1. Planning Commission
   2. Zoning Board of Appeals
   3. Recreation Commission
   4. Kitchel-Lindquist Dunes Preserve Committee Board
   5. Beautification Committee
   6. Board of Review
   7. Election Commission
   8. Coast Guard Festival Committee
   9. Loutit District Library Board
   10. North Ottawa Community Hospital Authority Board
   11. North Ottawa Community Hospital Corporation Board

   b. In the case of (6) through (11) above, the “Board” review steps described below shall be performed by the City Council.

2. Application for Appointment Form.
   a. The City Clerk shall prepare an Application for Appointment form for City residents to indicate their interest and willingness to be considered for appointment. The form shall be approved by the City Council. Blank copies of the form shall be available at City Hall. The City Clerk shall provide a blank form upon personal request, or shall mail a blank form upon a telephone or written request.

   a. The City Clerk shall publish a notice by April 1 each year that residents are invited to submit Applications for Appointment to board, commission, and committee positions whose
terms will be expiring. The notice shall state that completed applications shall be due at City Hall by May 1. The notice shall include brief descriptions of the duties of the respective boards. The notice shall ask that questions about applications be directed to the City Clerk.

b. The City Clerk shall include an article soliciting Applications for Appointment in each edition of the City newsletter.

c. The City Clerk shall publish a notice in the form described in (a) above, when there is a mid-term vacancy on a board and when requested by the City Council. In this case, the City Council shall establish the due date for submittal of applications.

   a. The City Clerk shall maintain a permanent file of submitted Applications for Appointment forms.

5. Positions with Terms Expiring.

   a. Three months prior to the regular expirations of terms (around April 1), the City Clerk shall advise the member whose term is expiring, the other members of the respective board, the City Council and the City Manager. The notice shall be accompanied by an Application for Appointment form, and shall include a request that the completed form be submitted to the City Clerk by May 1 if the incumbent wishes to be considered for reappointment.

   a. By May 2 each year, the City Clerk shall transmit to the respective board chairperson copies of all completed Applications for Appointment forms. The City Clerk shall distribute copies of his transmittal letter to the City Council and to the City Manager.

   b. At the same time, the City Clerk shall request that the respective board chairperson include as an agenda item at the board’s next meeting, “Consideration of a Recommendation to the Mayor, or if appropriate the City Council, for Appointment of Members to the (respective) Board”.

   c. The City staff member responsible for distributing the agenda packet for the respective board shall distribute copies of all completed applications to each board member.
d. In the event of a mid-term board position vacancy, the City Clerk shall follow the same procedure described in (a), (b), and (c) above, with an appropriate adjustment to the date of the transmittals.

e. Each respective board shall determine whether or not to interview applicants.

f. The respective board shall review the Applications for Appointment forms received from the City Clerk as an agenda item at its meeting.

g. After its review, the respective board shall pass a motion recommending to the Mayor, or if appropriate the City Council, the appointment of the number of persons for whom there are terms to be filled. The motion shall be transmitted in writing to the City Clerk as soon as possible. The motion shall be included in the minutes of the respective board.

h. In the case of an incumbent being recommended for appointment, the respective board shall note the attendance record of the incumbent over the incumbent’s previous term.

7. City Council Consideration of Applications for Appointment

a. Upon receiving the respective board’s recommendation to the Mayor or the City Council, the City Clerk shall transmit copies of the recommendation together with copies of the recommended appointees’ applications to the City Council and the City Manager.

b. The City Clerk shall place on the next City Council meeting agenda an item, “Consideration for Appointment of Members to the (Respective Board)”.

c. The City Clerk shall send a copy of the City Council meeting agenda to the recommended appointees.

d. The Mayor, or if appropriate the City Council, shall review the recommendation received from the respective board.

e. After its review, the City Council shall pass a motion approving the Mayor’s appointment, or appointing to the respective board the number of persons for whom there are terms to be filled. The motion shall include the language, “...for a term ending (date)“.
8. **Actions After City Council Makes Appointments.**
   
a. The City Clerk shall notify persons appointed to a board.

b. The City Clerk shall notify the other members of the respective board.

c. The City Clerk shall make arrangements with the appointees to administer the Oath of Office.

d. The City Clerk shall make arrangements for the delivery of pertinent materials to the appointees.

e. The City Clerk shall update all membership rosters to reflect the appointments made by City Council.

9. **Application for Appointment form is attached.**

Approved: October 7, 1996
Revised: November, 2003
Revised January, 2008
November 26, 2007

Mr. Craig Bessinger
City Manager
408 - Fifth Street
P.O. Box 38
Ferrysburg, MI 49409

Re: Appointments to Boards and Commissions

Dear Craig:

You requested a review of procedures for the appointment of members to boards, commissions, and committees. In November, 2003, the City adopted written procedures for the appointment of members to boards, commissions and committees. You want to know whether the written procedures comport with the requirements of statutes, charter, and city code.

To my knowledge, the following boards, commissions, and committees currently exist:

1. Planning Commission.
2. Zoning Board of Appeals.
3. Recreation Commission
4. Kitchel-Lindquist Dunes Preserve Committee Board
5. Beautification Committee
6. Board of Review
7. Election Commission
8. Coast Guard Festival Committee.

In addition, the City is permitted to appoint representatives to the following:

1. Loutit District Library Board
2. North Ottawa Community Hospital Authority Board
3. North Ottawa Community Hospital Corporation Board.
The appropriate methods of appointment to various boards, commissions and committees are addressed below.

**Planning Commission.** The method of appointing members to the Planning Commission is specified by Michigan statute. Enclosed with this correspondence is a copy of MCL 125.33 which contains four alternate methods for composition of a Planning Commission and the appointment of members to a Planning Commission. City Code Section 32.01 incorporates alternative (4) of the statute. Section (4) of the statute has been highlighted in bold print for your convenience. Subsection (4) specifically provides that members of the Planning Commission be appointed by the Mayor subject to the approval of the City Council. The City Code incorporates the same procedure. Consequently, members of the Planning Commission should be appointed by the Mayor subject to the approval of the City Council. It remains permissible for the Planning Commission to interview applicants and make recommendations to the Mayor. However, the actual appointment is to be made by the Mayor, subject to the approval of the City Council.

Subsection (6) of MCL 125.33 provides that a vacancy on the Planning Commission which occurs other than through the normal expiration of a term shall be filled for the remainder of the unexpired term by the Mayor. Such an appointment does not require the approval of the legislative body for the reason that, pursuant to the methodology of Subsection (4), the original appointment was made by the Mayor, not the City Council.

The Michigan statute does not make provisions for the appointment of alternate members of a Planning Commission. The statute, and the Charter, provide for 9 members, which requires a quorum of at least 5 members regardless of the number of seats actually filled.

The term of a Planning Commission member expires after three years or until successor takes office.

**Zoning Board of Appeals.** The composition of the ZBA and the appointment of members is addressed in Section 11.20 of the Ferrysburg Zoning Ordinance. The Zoning Ordinance comports with the procedures mandated by MCL 125.3601. The procedural rules adopted in November 2003 provide that recommendations for appointments be made by the ZBA for consideration by the City Council. There is nothing wrong with input from the ZBA as long as the ultimate authority to control nominations and to appoint members rests with the City Council.

MCL 125.3601 and Section 11.20 make provisions for the appointment of alternate members of the ZBA.
The term of a member of the ZBA is for 3 years and does not extend until a successor is appointed.

Recreation Commission. The Recreation Commission was established pursuant to City Code Sections 32.15 through 32.18. City Code Section 32.16 provides that the members of the Recreation Commission shall be appointed by the Mayor with the consent of the City Council. The appointment of members to the Recreation Commission is not mandated by statute or charter.

Kitchel-Lindquist Dunes Preserve Committee Board. The KLDP Committee is established by City Code Sections 32.30 through 32.33. Board members and alternate members shall be appointed by the Mayor with the consent of the City Council.

Beautification Committee. The Beautification Committee was established by City Code Sections 32.40 through 32.44. Membership is addressed in Section 32.42 and members are appointed by the Mayor with the consent of the City Council.

Board of Review. The structure of the Board of Review is addressed in City Charter Sections 6.14 through 6.18. Section 6.14 provides that the Board of Review shall consist of three members meeting certain criteria. All members are appointed by the City Council. The composition and appointment of members to the Board of Review is governed by the provisions of the General Property Tax Act. A copy of MCL 211.28 is enclosed. Subsection (4) provides that the size, composition, and manner of appointment of the Board of Review of a City is to be described by the City Charter. As a consequence, the provisions of the City Charter control appointments to the Board of Review. Section 6.14 of the City Charter provides that members of the Board of Review are appointed by the City Council.

Election Commission. The composition of a City Election Commission is addressed by MCL 168.25 which defers to the provisions of a City Charter. City Charter Section 3.6 provides for an Election Commission comprised of three members meeting certain criteria. All members of the Election Commission are appointed by the City Council.

Coast Guard Festival Committee. The Coast Guard Festival Committee has not been formally created by charter or ordinance. No procedures have been established for the appointment of members other than the procedures adopted by the City Council in November 2003. As a consequence, the procedural rules are adequate and should be followed.
Loutit District Library Board, North Ottawa County Hospital Authority Board and North Ottawa Community Hospital Corporation Board. There are no established procedures for appointments to the designated boards. The City may continue to follow the procedures that were adopted by the City Council in November 2003.

I hope that the information in this letter is helpful. I recommend that the procedures for appointment of members be revised to accurately reflect the manner in which members are appointed to certain committees. Let me know if I can be of assistance.

Very truly yours,

George E. Bauer
CITY OF FERRYSBURG

APPLICATION FOR APPOINTMENT

Board/Commission Appointment you are seeking: Planning Commission

Name: Heather Hawley
Street Address: 1915 Niddock Dr
City/State/Zip: Spring Lake, MI 49456
E-mail address: hawley1900@yahoo.com
Telephone (Day): 231-584-2023
Telephone (Evening): 231-589-2023
Best Time to Call: Anytime
Are you a Registered Voter in the City: Yes
How Many Years Have You Been A City Resident: 40
Occupation: Clinic Supervisor

Background/Experience/Interests: I have lived in Ferrysburg most of my life. I have worked at a vet office for the past 12 years. I am interested in becoming more involved in the community.

State why you are applying to be appointed, indicate any special qualifications and experience you have which would be beneficial to the appointment you are seeking. Also indicate any special concerns or issues which you perceive to be important regarding the appointment you are seeking (attach additional sheets if necessary):

I would like to continue to serve on the board as I feel like I am just starting to learn and want to continue to educate myself and hopefully have a positive impact.

How Many Years Have You Been A City Resident: 7

Occupation: University Administrator (retired)

Background/Experience/Interests: I am an amateur naturalist who has greatly enjoyed serving two terms on the KLY board. I have found problem solving in the areas of dune and invasive species management particularly rewarding.

State why you are applying to be appointed, indicate any special qualifications and experience you have which would be beneficial to the appointment you are seeking. Also indicate any special concerns or issues which you perceive to be important regarding the appointment you are seeking (attach additional sheets if necessary):

I believe I bring institutional knowledge to the Board due to being one of its longest serving members which has its benefits. I also hope to focus in the future on strengthening our partnership with Ottawa County Parks & the City of Ferrysburg (Cedar Haven) plus recruiting Board members and continuing to address trail maintenance issues.

(Return to: Ferrysburg City Clerk, 17290 Roosevelt Road, P.O. Box 38, Ferrysburg, MI 49409)
My educational background is in geology and computer science. I was employed at Rockwell Collins in Cedar Rapids, Iowa, as a software engineer until we moved to Riverside, Illinois, and I stayed home with our two daughters. In Riverside, I served on the elected elementary school board for 12 years, serving as president two years, and volunteered for the animal rescue PAWS Chicago, among many other volunteer activities. Since moving to Michigan 5 years ago, I became interested in native plants and habitat restoration. My husband and I are working to remove invasives from our wooded/wetland property on Spring Lake. I also volunteer for Ottawa County Parks and Recreation as a Park Steward, and perform restoration work such as planting trees and removing invasives from various Ottawa County parks.

Since moving to Ottawa County I have enjoyed hiking in and appreciate the beauty and variety of the many parks and natural areas available to us in the area. The Kitchel Lindquist Hartger Dunes Preserve is one of the most outstanding of these areas. My experience with native habitat restoration would allow me to get up to speed quickly with board work and I would be honored to play a role in the preservation and restoration of such a special place.
